Paperboard
Tamper-Evident OneBox®

Your safe, sustainable and tamper-evident solution for takeout and delivery.

Sustainable

Our Kraft Cartons are made from PFAS-Free 100% recycled paperboard that is Forest Stewardship Council (FSC) certified (FSC-C125335).

Keeps Food Crispy

The SmartVent™ system allows steam to release, keeping food crunchy and crispy even on the go.

Consumer Convenience

The perforated tear-away lid provides an improved eating xperience for customers.

Commerically Compostable

Tested and verified to meet ASTM D6868 standards for compostable materials. Commercially compostable only. Facilities may not exist in your area. Not suitable for home composting.

Safe & Secure

The tamper-evident closure ensures quality, safety, and prevents food loss. The leak-resistant aqueous based coating helps prevent sauces and liquids from penetrating through the container.

These guidelines are supplied to assist you in determining the proper use of Pactiv Evergreen products. They are based upon testing and published guidelines and are reliable in most applications. However, because every food supplier's recipes, ingredients, processes and supply chain is unique, these guidelines are not a substitute for product testing. Confirmation of product acceptability under your specific conditions of use must be done by you.
