

Agriculture & Produce Packaging

Great assortment of packaging options

Give your produce the protection it deserves, ensuring freshness, visual appeal and customer satisfaction.

Great from field to market

PET Hinged Lid Clamshells

These industry-leading containers are made from strong, crystal-clear PET. Clamshells are vented to keep produce fresh.

Berigard® Molded Fiber Baskets

Transport and display fresh produce with these sturdy, vented baskets.

Trays

Pactiv Evergreen offers a variety of tray sizes and materials, including solid sheet PET, paperboard and PS foam.

EarthChoice® Tamper Evident RPET Hinged Lid Deli Containers

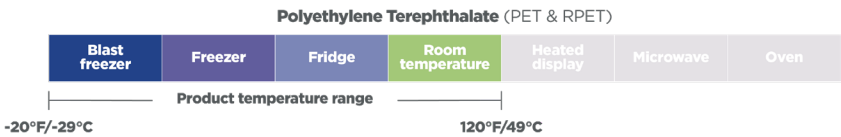

The patented design improves safety by minimizing the risk of food tampering, while the leak-resistant seal locks in product freshness and reduces spills. The recyclable* containers are made with a minimum of 25% post-consumer recycled (PCR) materials, which reduces environmental impact.

These guidelines are supplied to assist you in determining the proper use of Pactiv Evergreen products. They are based upon testing and published guidelines and are reliable in most applications. However, because every food supplier's recipes, ingredients, processes and supply chain is unique, these guidelines are not a substitute for product testing. Confirmation of product acceptability under your specific conditions of use must be done by you.
