

Sensations Hinged Lid Containers

Oriented Polystyrene (OPS)

Sensations™ Hinged Lid Containers offer crystal-clear presentation, dependable durability and a secure SmartLock® closure to keep foods fresh, protected and ready for grab-and-go convenience.

Economical & effective

OPS hinged lid containers are an industry classic for their performance and attractive price point.

Exceptional clarity

Clear material showcases food and helps reduce order mix-ups.

Outstanding strength

These containers are strong and stackable for display or transport.

Superior closure

SmartLock® closure clicks securely into place to help prevent leaks and keep food fresh.

These guidelines are supplied to assist you in determining the proper use of Novolex products. They are based upon testing and published guidelines and are reliable in most applications. However, because every food supplier's recipes, ingredients, processes and supply chain is unique, these guidelines are not a substitute for product testing. Confirmation of product acceptability under your specific conditions of use must be done by you.
