** Patent U.S. 9,597,860 and patent pending

Deliver an innovative and improved packaging experience for everyone.

Six sizes available in two footprints and three heights

Extended shelf-life available No aluminum required

1 Year | Moisture and oxygen barrier provides 1 year of shelf life

1+ Years | Longer shelf life can be achieved if desired

Our SmartPour™ package is **Engineered for Manufacturers' Success**

- ✓ Make your product stand out on the shelf
- ✓ Sturdy enough for home delivery
- ✓ **Optimizes space in a box, on a pallet, on a truck and on shelf**
- ✓ Opportunity for more usage occasions
- ✓ Food safe and FDA compliant

A 17 oz.
SmartPour package
fits **58% more**
product on a pallet!†
(Compared to bag-in-box container)

Contact us to calculate the efficiencies for your product.

Our SmartPour™ package
**Addresses
Consumer
Frustrations**

- ✓ Mess-free, kid-friendly pouring
- ✓ Extends the **freshness** of product
- ✓ 1-step curbside **recycling** means they can put the whole SmartPour container in their recycling bin
- ✓ Tamper-evident, **resealable** closure
- ✓ **Easy**-to-open, -hold, -pour and -store
- ✓ **Sturdy** package that doesn't tip over easily
- ✓ Doesn't bulge, slump or lose its shape
- ✓ Uses less space in the pantry

SmartPour
eliminates the
need for a **bag**

Since the bag-in-box
inner bag is
not recyclable
