

Newspring™

White and clear containers and portion cups

Top of the line in both performance and presentation **VERSA**tainer®, **DEL**tainer®, and **ellipso**® containers are the packaging solutions you need for customer satisfaction and operational excellence.

Quality solutions, that meet your needs

Recyclable

Newspring white and clear polypropylene containers are recyclable. The lids are also recyclable, however check locally as lids may not be recyclable in all areas.

Versatility

Whether you need a quality takeout container for on-the-go entrées or a dynamite deli container for your market, Newspring packaging is offered in a variety of shapes, and sizes for optimal operational versatility.

Premium performance

These sturdy containers are made of heavy-gauge polypropylene. They hold up to your heartiest menu items and will not bend or break when stacked for delivery or display. Bonus for your end customers, Newspring containers are safe for top rack use in residential dishwashers.

Superior leak-resistance

Newspring products have a tight-fitting perimeter seal that provides exceptional leak resistance, so you can store and transport foods with confidence.

Excellent temperature endurance

Ideal for a variety of food applications, both hot and cold, Newspring containers can be stored in the freezer, refrigerated or microwaved. Ensure the lid is loosened prior to microwaving to permit steam ventilation.
