

REYNOLON®

Shrink Film

Reynolon® Shrink Films are the right choice for food and beverage packaging.

Variety available

From soft to rigid, our wide spectrum of film is available in multiple gauges, orientation patterns, and print grades.

Reduces waste

With our preferential shrink film, you can reduce waste by using less overwrap to accomplish the job.

Superior finish

Our high gloss and sparkling clarity will add point-of-sale appeal by allowing customers to see your product and not the overwrap.

Reliability

When wrapping gift baskets or packaged food and beverage products, be rest assured that your bundle will stick together.

These guidelines are supplied to assist you in determining the proper use of Pactiv Evergreen products. They are based upon testing and published guidelines and are reliable in most applications. However, because every food supplier's recipes, ingredients, processes and supply chain is unique, these guidelines are not a substitute for product testing. Confirmation of product acceptability under your specific conditions of use must be done by you.
