

Polypropylene Dual-Color Hinged Lid Containers

Optimally designed for performance and presentation, these containers help ensure your food stays hot, crispy, and delicious from your kitchen to their doorstep.

Premium Performance

These containers are strong, stackable, and moisture resistant so they can stand up to hearty and saucy foods. The Zip Seal™ closure provides superior leak resistance for delivery and takeout.

Keeps Food Crispy

The SmartVent™ system allows steam to release, helping to keep food hot and crispy even on the go.

Convenient Design

The hinged lid has a perforated tear for easy removal and reseals as a two-piece container for storage.

Upscale Presentation

The black bases offer an elegant backdrop for your colorful menu items, while the clear lids provide easy order identification reducing mix ups when packing to-go bags.

High Heat Tolerance

These containers are ideal for merchandising in hot case displays and to-go staging under heat lamps. Also, suitable for reheating in a microwave and top rack residential dishwasher safe.

Polypropylene Dual-Color Hinged Lid Containers

These guidelines are supplied to assist you in determining the proper use of Pactiv Evergreen products. They are based upon testing and published guidelines and are reliable in most applications. However, because every food supplier's recipes, ingredients, processes and supply chain is unique, these guidelines are not a substitute for product testing. Confirmation of product acceptability under your specific conditions of use must be done by you.
