GREENWARE®
MADE FROM PLANTS

Cups, Lids and Portion Cups

Show customers you're doing the right thing with Greenware Cups and Portion Cups. Our Greenware stock print communicates a powerful message: you care.

Made from plants

Made from polylactic acid (PLA), a resin derived from annually-renewable plants.

Expand your possibilities

Crystal-clear Greenware Cups and Portion Cups provide premium product clarity and presentation. Pair the Greenware Cup Insert with our Cups and Lids to create unlimited food pairings, ready for grab 'n go consumption.

Commercially compostable

BPI certified to be commercially compostable only. Facilities may not exist in your area. Not suitable for home composting. Compostable products facilitate the diversion of food scraps from the landfill.

Perfect for cold menu items

Best used for icy cold drinks and cool condiments like soda, lemonade, and cold brew or ketchup, mustard, or salsa with a heat tolerance up to 105 ˚F.
Cups, Lids and Portion Cups
