

PET Bakery Containers

Sheet Cakes

Enhance the visual appeal of your sheet cakes with the clarity and functionality of Pactiv Evergreen's PET cake containers.

Outstanding strength

These containers are strong, stackable, and provide a secure dome fit for display and transport.

Exceptional clarity

The PET material provides a clear view and superior merchandising to increase impulse sales. These containers are also freezer safe, allowing you to store and sell all in one container.

Multiple base and dome options

Choose the base (flat, ring base, bundt cake) and dome style (fluted/RoseDome™/swirl, smooth-wall) for your specific application.

What temperature range is recommended?

These guidelines are supplied to assist you in determining the proper use of Pactiv Evergreen products. They are based upon testing and published guidelines and are reliable in most applications. However, because every food supplier's recipes, ingredients, processes and supply chain is unique, these guidelines are not a substitute for product testing. Confirmation of product acceptability under your specific conditions of use must be done by you.
