

Polypropylene **Fieldware™ Cutlery**

If you're looking for a practical and inexpensive cutlery option, strong and flexible Fieldware™ cutlery is the right choice for you!

Durable & economical

Our standard length, medium weight cutlery is made from polypropylene and is a great option for schools, hospitals, and other institutions.

Choices to meet your needs

Fieldware cutlery is available in a wide variety of options to meet your operation's needs, including bulk single pieces, wrapped single pieces, and wrapped kits.

Dishwasher safe

This line of cutlery has been tested by an accredited laboratory and demonstrates it's capable of being washed at least 100 times in a residential dishwasher, with no changes to its physical properties.

Safe & sanitary options

This line is offered in individual bulk pieces, ideal for refilling dine-in dispensers, as well as wrapped pieces or kits that are convenient and hygienic for delivery and takeaway.
