

Pressware[®] Dual-Ovenable Paperboard Containers and Pizza Trays

Pressware[®] is available in a variety of colors and sizes for microwave or oven applications.

Pressware is microwave and oven safe.

Versatile

Pressware trays hold a variety of food applications either hot or cold. They can be stored in the freezer or refrigerator without cracking or denting.

Variety of sizes

Trays hold food products from family-sized entrées to portion-controlled entrées, side dishes and desserts.

Sustainable solution

Pressware is now **PFAS-Free**

making them a compliant option in states that have banned PFAS, while maintaining the strength and performance you are accustomed to.

About 85% of every Pressware product is made from trees, a renewable resource, reducing your plastic consumption and helping support your sustainability initiatives.

Fast customization

Pactiv Evergreen offers reduced lead time and tool cost, relative to other material substrates.

What temperature range is recommended?

These guidelines are supplied to assist you in determining the proper use of Pactiv Evergreen products. They are based upon testing and published guidelines and are reliable in most applications. However, because every food supplier's recipes, ingredients, processes and supply chain is unique, these guidelines are not a substitute for product testing. Confirmation of product acceptability under your specific conditions of use must be done by you.
