pactiv evergreen™

PET Containers
Cupcakes & Muffins

Bakeries can display their cupcakes and muffins proudly in these strong, stackable, clear PET containers, which feature a deep dome hinged lid to ensure items keep their finished look throughout the transport process.

Secure
Be confident in the closure of your SmartLock® container with its audible "click."

User-friendly
Finger grip tabs make the container easy to open and separation between individual cavities allow you to lift the cupcakes out without damaging them.

Crack resistant
Containers are excellent for frozen applications.

Clarity
The crystal-clear, smooth-wall design is great for merchandising your cupcakes and muffins.

Deep dome lid
Specialty cupcakes topped with candy or plastic figures as decoration fit easily under the deep dome.

Sustainable
Containers can be recycled*.

**Check locally, may not be recyclable in your location*

These guidelines are supplied to assist you in determining the proper use of Pactiv Evergreen products. They are based upon testing and published guidelines and are reliable in most applications. However, because every food supplier's recipes, ingredients, processes and supply chain is unique, these guidelines are not a substitute for product testing. Confirmation of product acceptability under your specific conditions of use must be done by you.
