

PET Hinged Lid Containers

These containers are perfect for grocery stores, bulk food, bakeries, delis and foodservice applications.

Exceptional clarity

The PET material provides a clear view and superior merchandising to increase impulse sales. These containers are also freezer-safe, allowing you to store and sell all in one container.

Outstanding strength

Containers are strong, stackable, and provide a secure lid fit for display and transport.

Sustainable

Clear PET containers are also recyclable, but check locally, they may not be recyclable in your area.

These guidelines are supplied to assist you in determining the proper use of Pactiv Evergreen products. They are based upon testing and published guidelines and are reliable in most applications. However, because every food supplier's recipes, ingredients, processes and supply chain is unique, these guidelines are not a substitute for product testing. Confirmation of product acceptability under your specific conditions of use must be done by you.
