

ClearView® MealMaster® **Two Piece Containers**

A versatile option, ideal for home meal replacement packaging in grocery store hot and cold cases, while also stylish and functional for restaurant takeout and delivery.

Reduced environmental impact

EarthChoice® mineral filled polypropylene containers are made with 50% less plastic than traditional polypropylene containers, reducing fossil fuel based material usage. The polypropylene lids are recyclable. Check locally; may not be recyclable in all areas.

Ideal for merchandising and to-go

The stackable lids and bases nest securely to help keep product in place on the shelf and during transportation. The leak-resistant ZipSeal™ helps to prevent messy spills and maintain food quality. Lids sold separately.

Consumer convenience

Customers enjoy that these containers easily go from refrigerator to microwave and are top-rack dishwasher safe.

ClearView® MealMaster® Two Piece Containers

Virtual Packaging Assistant

The Virtual Packaging Assistant (VPA) app can be used for all of your Foodservice Packaging Solutions! It is available for download on all Apple, Android and Windows devices.

These guidelines are supplied to assist you in determining the proper use of Pactiv Evergreen products. They are based upon testing and published guidelines and are reliable in most applications. However, because every food supplier's recipes, ingredients, processes and supply chain is unique, these guidelines are not a substitute for product testing. Confirmation of product acceptability under your specific conditions of use must be done by you.
