# PET Clear Cake Containers

Enhance the beauty and elegance of your round cakes and sheet cakes with the clarity and distinction of Pactiv Evergreen PET cake containers.

Fluted Dome

RoseDome™/Swirl Dome
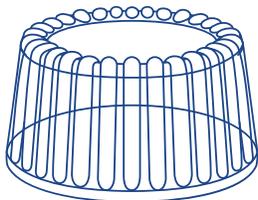

Smooth-Wall Dome

Outstanding strength

These containers are strong, stackable, and provide a secure lid fit for display and transport.
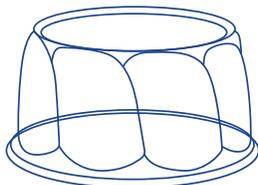

Multiple base and dome options

Chose the base (flat, ring base, bundt cake) and dome style (fluted/RoseDome™/Swirl, smooth-wall) for your specific application.
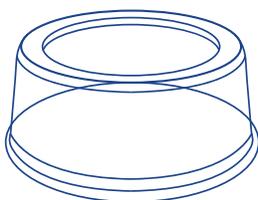

Exceptional clarity

The PET material provides a clear view and superior merchandising to increase impulse sales. These containers are also freezer safe, allowing you to store and sell all in one container.

-20°F/-29°C   120°F/49°C
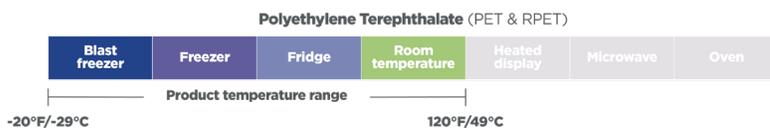

These guidelines are supplied to assist you in determining the proper use of Pactiv Evergreen products. They are based upon testing and published guidelines and are reliable in most applications. However, because every food supplier's recipes, ingredients, processes and supply chain is unique, these guidelines are not a substitute for product testing. Confirmation of product acceptability under your specific conditions of use must be done by you.
