

Fiber Blend **Pulpex™ Food Trays**

EarthChoice® Pulpex™ food trays are strong, economical, and reliable. They can be used for any operation, from food trucks to sit-down restaurants.

A Sustainable Solution

These trays are PFAS-Free, made from 100% recycled paper and are recyclable in the communities that accept molded fiber products. Check locally.

Strong & Versatile

These trays are ideally suited to absorb grease and oil from fried foods so you can confidently fill them up with onion rings, fish 'n chips, nachos, and more.

These guidelines are supplied to assist you in determining the proper use of Pactiv Evergreen products. They are based upon testing and published guidelines and are reliable in most applications. However, because every food supplier's recipes, ingredients, processes and supply chain is unique, these guidelines are not a substitute for product testing. Confirmation of product acceptability under your specific conditions of use must be done by you.
