

Supermarket & Processor PS Foam Trays

Pactiv Evergreen is the market leader in polystyrene (PS) foam trays designed to meet a variety of applications from unpadded and pre-padded case-ready processor to traditional supermarket trays. With the largest depth and breadth of line, Pactiv Evergreen has the right tray for any fresh meat or produce need.

These guidelines are supplied to assist you in determining the proper use of Pactiv Evergreen products. They are based upon testing and published guidelines and are reliable in most applications. However, because every food supplier's recipes, ingredients, processes and supply chain is unique, these guidelines are not a substitute for product testing. Confirmation of product acceptability under your specific conditions of use must be done by you.
