Fabri-Kal®

Polypropylene

SideKicks® Containers

Performance on-the-go

SideKicks® Containers are portable and stackable, with a reliable, leak-resistant lid you can trust. Ideal for prepared foods, takeout, and delivery—and ready to hold whatever you put in them.

Efficient and versatile

Versatile containers, ideal for hot soups or cold salads. One lid fits all five bases; opt for the vented lid for hot foods to release steam. Microwave safe, ensure the lid is loosened to permit steam ventilation.

High style, high function

A striking, upscale look showcases your sides. And a convenient wide-mouth design makes SideKicks® Containers spoonable, dippable, and supremely snackable.

These guidelines are supplied to assist you in determining the proper use of Pactiv Evergreen products. They are based upon testing and published guidelines and are reliable in most applications. However, because every food supplier's recipes, ingredients, processes and supply chain is unique, these guidelines are not a substitute for product testing. Confirmation of product acceptability under your specific conditions of use must be done by you.
