

Hoagie & Sandwich Containers

With various material types, colors, and sizes to choose from, you're sure to find packaging packed with performance features that will enhance your customer's experience.

Your one-stop shop for a full lineup of Hoagie and Sandwich containers

Economical and Effective

Options like our clear OPS, PS foam, and mineral-filled polypropylene (MFPP) hinged lid containers are an industry standard for their attractive price point and performance.

Sustainable Material Choices

Reduce your environmental impact with our full range of sustainable packaging, which includes commercially compostable* and recyclable** solutions. See product descriptions below.

Premium Performance

Choose from a variety of containers that are strong, stackable, and moisture-resistant so they can stand up to hearty and saucy foods. Our polypropylene containers (clear, dual-color, and mineral-filled) as well as our PS foam are great options.

Perfect for Off-Premise

Each container has been designed for delivery and to-go. Whether that's our kraft tamper-evident OneBox®, recycled RPET tamper-evident containers, PS foam containers, compostable* fiber blend containers, or our vented polypropylene containers, you're sure to find the right solution for you.

*Commercially compostable only. Facilities may not exist in your area. Not suitable for home composting.

** Recyclable. Check locally - may not be recyclable in your area.

These guidelines are supplied to assist you in determining the proper use of Pactiv Evergreen products. They are based upon testing and published guidelines and are reliable in most applications. However, because every food supplier's recipes, ingredients, processes and supply chain is unique, these guidelines are not a substitute for product testing. Confirmation of product acceptability under your specific conditions of use must be done by you.
