

Hot Drink Cups, Lids, and Sleeves

Your go-to choice for serving hot coffee, cocoa, tea, and specialty drinks, perfect for the breakroom, c-store, café, and more.

Leak-Resistant

The poly coating on the inside of these Cups helps to prevent leaks, while the secure seams ensure beverage containment.

Safe Travels

Add one of our dome or tear Back Lids for a leak-resistant seal that helps prevent messy spills on the road and on-the-go. Looking to protect your hands? Add one of our sleeves for superior grip and insulation.

Print Options Available

We offer our paper drink Cups in simple and classic white or coffee themed Swirl or Revolution prints for a fun pop of personality. Looking to customize? Give a shout-out to your brand with our custom printing capabilities.

What temperature range is recommended?

PactivEvergreen.com

Visit our website today to view our range of packaging solutions.

These guidelines are supplied to assist you in determining the proper use of Pactiv Evergreen products. They are based upon testing and published guidelines and are reliable in most applications. However, because every food supplier's recipes, ingredients, processes and supply chain is unique, these guidelines are not a substitute for product testing. Confirmation of product acceptability under your specific conditions of use must be done by you.
