## What temperature range is recommended?

**PactivEvergreen.com**

Visit our website today to view our range of packaging solutions.

These guidelines are supplied to assist you in determining the proper use of Pactiv Evergreen products. They are based upon testing and published guidelines and are reliable in most applications. However because every food supplier's recipes ingredients processes and supply chain is unique these guidelines are not a substitute for product testing. Confirmation of product acceptability under your specific conditions of use must be done by you.
