

Paperboard

OneBox® Container

Send your to-go orders out with confidence using these easy to close, leak proof, paper containers with secure front latch closure.

An array of options

With five sizes in three colors, there is a OneBox that is right for your menu and brand. Our Kraft cartons are made from PFAS-free 100% recycled paperboard that is Forest Stewardship Council® (FSC®) certified (FSC-C125335)

No messes here

Leak-resistant coating prevents sauces and liquids from leaking through the container.

Keep food crispy

SmartVent™ technology allows steam to escape which keep your menu items crispy and delicious!

PFAS free

Made from PFAS free paperboard, a great choice when foam polystyrene or plastic are not an option.

Stack them up

These containers won't crush when stacked, so you can pile them high.

What temperature range is recommended?

Virtual Packaging Assistant

The Virtual Packaging Assistant (VPA) app can be used for all of your Foodservice Packaging Solutions! It is available for download on all Apple, Android and Windows devices.

These guidelines are supplied to assist you in determining the proper use of Pactiv Evergreen products. They are based upon testing and published guidelines and are reliable in most applications. However, because every food supplier's recipes, ingredients, processes and supply chain is unique, these guidelines are not a substitute for product testing. Confirmation of product acceptability under your specific conditions of use must be done by you.
