

Portion Cups and Lids

Feel confident knowing your sauces, dressings, salsas, dips, and sides will travel securely and resist leaking when you select Pactiv Evergreen portion cups.

Convenience and Cost Control

We know portions range from tiny to generous, so we have the sizes you need to serve exactly the amount you want. Cups can be filled in advance and stored so you are ready for the mealtime rush.

Pick Your Color

Our portion cups come in translucent, black, or clear cups depending on which color is best for your application.

An Array of Options

We offer the selection of products operators need, choose between thrifty HIPS, Microwavable PP, or Compostable* PLA portion cups.

Take It To-Go

Leak resistant lids securely hold side dishes and condiments during transport and storage, reducing the risk of spills. Lids sold separately.

*Commercially compostable only. Facilities may not exist in your area. Not suitable for home composting.

These guidelines are supplied to assist you in determining the proper use of Pactiv Evergreen products. They are based upon testing and published guidelines and are reliable in most applications. However, because every food supplier's recipes, ingredients, processes and supply chain is unique, these guidelines are not a substitute for product testing. Confirmation of product acceptability under your specific conditions of use must be done by you.
