

Tamper evident paper **OneBox[®] container**

Sized to match standard medium takeout containers, this container easily fits a sandwich and sides or any meal you want to enjoy to-go!

Safe and secure

Our tamper-evident closure ensures quality, safety, and prevents food loss.

No messes here

Leak-resistant coating prevents sauces and liquids from leaking through the container.

Keep it crispy

SmartVents™ technology allows steam to escape which keep your menu items crispy and delicious!

PFAS free

Made from PFAS free material, a great choice when foam or plastic are not an option.

Stack them up

These containers won't crush when stacked, so you can pile them high.

Space efficient

The small case pack makes this a great solution for operators short on storage space.

Tamper evident paper **OneBox® container**

Our new square tamper evident paper container is great for all your on-the-go meals!

What temperature range is recommended?

Virtual Packaging Assistant

The Virtual Packaging Assistant (VPA) app can be used for all of your Foodservice Packaging Solutions! It is available for download on all Apple, Android and Windows devices.

These guidelines are supplied to assist you in determining the proper use of Pactiv Evergreen products. They are based upon testing and published guidelines and are reliable in most applications. However, because every food supplier's recipes, ingredients, processes and supply chain is unique, these guidelines are not a substitute for product testing. Confirmation of product acceptability under your specific conditions of use must be done by you.
